

IN GOD'S WORD 2020

5-Day Bible Reading Program adapted from www.FiveDayBibleReading.com

This schedule allows you to read the entire Bible in one year at a pace of five daily readings a week. This gives you time to catch up or take a day to focus on other Bible passages, and makes daily Bible reading practical and do-able.

Reading the Old Testament in chronological order (even the Psalms have been placed chronologically when possible) aids understanding of the Bible as one story, and helps you look forward to reading God's Word. The New Testament Gospels are spaced throughout the year to keep you engaged in the life and teaching of Jesus.

Always read in the order it appears. For example, if a reading from Chronicles appears before Kings, read from Chronicles first. Check off each day's reading when completed, then check off each week. You will be amazed at how soon you are far into the year and reading your Bible regularly! God's blessing rests on those who will read, understand, and live by His Word. May this guide help you to achieve that spiritual discipline.
